Corrigendum

In the article Influence of Tiamulin Therapy on Weight Gain in Brachyspira Dysentery in Piglets first published in Vol 47, No 1 in Scientific Papers: Animal Science and Biotechnologies, by a clerical error instead Novartis was presented Dopharma as producer of Tiamulin 10% oily injectable solution (1ml of solution containing 100 mg of tiamulin fumarate).

This article corrects: Influence of Tiamulin Therapy on Weight Gain in Brachyspira Dysentery in Piglets Vol. 47, Issue 1, p. 372-376.
